

VideoStudio[®] PRO 2019

Corel[®] VideoStudio[®] Pro 2019 is the fun and easy video editing software designed to transform your photos and videos into stunning movies. Both new and seasoned users will love the flexibility and customization that VideoStudio has to offer. Get started today!

Why VideoStudio Pro?

1 Easy and intuitive

Perfect for all skill levels; learn as you go and create impressive videos right out of the gate. Dive in and get started—you'll be surprised by what you can create!

2 Uniquely creative

Transform your photos and videos into movies. Get creative with over 1,500 filters and effects, play with speed or add new Seamless Transitions, and tap into fun features like Multi-camera edition and Motion Tracking.

3 Supports popular formats

VideoStudio is optimized for the latest video acceleration hardware and popular formats. Edit HD, 4K, and even 360 videos to create great-looking movies in no time.

4 Flexible and fun

Start with templates or edit on the Timeline and combine photos, videos, and audio on multiple tracks, with a range of fun effects to help you achieve the look you're after.

5 Award winning

VideoStudio is widely recognized for being easy and packed with incredible features.

TRACK TRANSPARENCY

TINY PLANET EFFECTS

MOTION TRACKING

VIDEO TEMPLATES

Who's using VideoStudio?

Perfect for all skill levels:

- Beginner Video Editors
- Video Editing Hobbyists
- Social Videographers
- Business Marketers
- Educators & Students

VideoStudio Pro 2019

VideoStudio is widely recognized for being easy to use and packed with fun features.

Video editing software

Transform your photos and videos into movies with award-winning video editing software. Make quick edits, or have fun experimenting with powerful tools like Motion Tracking or Stop Motion Animation.

Capture video and audio

Record your screen and webcam simultaneously with new MultiCam Capture™ Lite and create engaging videos. Pull it all together with multi-camera editing and select the angle you'd like to show as the video plays!

Slideshow maker

Create photo slideshows with music in minutes using drag-and-drop controls. Start with video templates or begin from scratch on the timeline. Surprise yourself with what you can create in VideoStudio.

Built-in sharing

Author DVDs with chapters and menus using enhanced MyDVD®. Upload directly online or export to popular video formats. Learn new skills from video tutorials, connect with other users, and learn from the community forum!

The award-winning video editing family
